Mr. Robert Amory, Jr.
2430 E Street, N. W.
Washington 25, D. C.

Dear Mr. Amory:

The enclosed photographs never saw the light of day in the news media, unfortunately, but I thought they might have a place among your mementoes and that they might on occasion bring back pleasant recollections of your visit to the university.

We were all delighted to have you here and I assure you that we hope you will come soon again, as an official or private visitor.

Cordially yours,
